Star Signs LLC

Your single source for excellence in custom fabrication and installation of commercial signs and large architectural signage and graphics products.

Our team of skilled professionals is committed to customer service and satisfaction. Whether we are working on a single monument sign or a complex design/build project, we adapt an approach appropriate for the project and tailored to ensure a timely, high quality product that achieves our client's goals.

Our Products Include:

- Illuminated and non-illuminated signs of all types
- Pylon and monument signs
- Channel letters
- ADA compliant interior room signs and directional signage
- Large format digital printing
- Custom LED lighting
- Electronic Message Displays/Time & Temperature Displays
- Vinyl graphics
- Banners & Awnings
- Flagpoles
- Custom fabrication

Our Services Include:

- State of the art design services – from concepts to complete shop drawings
- Code compliance and consultation
- Permit research and procurement
- Certified engineering as needed
- Site survey and recommendations for complete signage programs
- Installation & maintenance services
- Complete project management from preliminary design to final install

Star Signs specializes in custom signage and graphics. Our projects have ranged from sports arenas, theaters, and casinos to wayfinding and directional signage for parking garages, airports, shopping centers and hospitals.

Our constant goal is to provide excellent customer service and on-time installations. We are a full service sign company and manufacture all products in-house. This gives us the distinct advantage of having complete control over costs, quality and delivery.

Please contact us for all of your signage needs. We look forward to helping your business succeed.
